

University of Illinois at Urbana-Champaign
Master of Science in Finance (MSF)
Declaration and Certification of Finances for Admission 2012*

Name _____
(Last or Family Name) (First or Given Name)

In order for the Certificate of Visa Eligibility (form 1-20 or DS2019) to be issued, it is necessary to submit complete and accurate information regarding your sources of financial support. This information is required by the University of Illinois at Urbana-Champaign in compliance with regulations set forth by the U.S. Immigration and Naturalization Service (USCIS) for all students planning to enter the United States under its auspices. You are required to submit **current** evidence that you will have at least as much money as is described below for the entire length of your program. **Financial documents in any language other than English must be accompanied by an official English translation of each document.**

The current estimated cost of study at the University of Illinois at Urbana-Champaign is described below. The evidence of financial resources we are requesting you to present is frequently required by U.S. consulate officials before a visa is granted. We recommend that you make and maintain for your personal use copies of all documents submitted. We do not return or provide you with copies of these documents.

For Married Students

If you are married and will be accompanied by your spouse and/or children, you must certify to the U.S. embassy or consular office that you have additional financial resources before dependent visas can be issued by that office. The additional annual expense for one dependent is \$6,200, for two dependents, \$9,980, and for three dependents, \$11,900. Each additional dependent beyond three requires an additional \$1,920. You are also required to purchase health insurance for accompanying dependents. The current yearly rate is \$3,687 for the spouse and \$1,837 for children. These rates are subject to change.

We strongly advise that you provide a contingency fund of \$3,000 for your initial expenses.

Estimated Expenses for a Single Student Not Accompanied by Dependents

Tuition and Fees	\$47,100*
Living Allowance	\$14,760**
Books and Supplies	\$ 4,723***
Total	\$66,583

*This is the tuition and fees for the 2011-2012 academic year. The amounts are subject to change without notice. The tuition and fees for 2012-2013 have not yet been formally approved by the Board of Trustees.

**The living allowance estimate is based on double occupancy.

***Does not include the cost of a laptop which all students in the program are expected to have.
