Thursday, September 20, 2007  
141 Wohlers Hall  
4:00 - 5:10 Presentation

---

Tim Hart is the leader of Navigant Consulting’s largest global practice group, the Disputes & Investigations practice. Tim is responsible for the overall operation of the \$225 million practice with over 550 consultants in the US, Canada, UK, Singapore and China. Tim has served since 2004 as a member of the management committee of Navigant Consulting.

Tim began his career in 1984 with Arthur Andersen in Chicago after graduating from the University of Notre Dame. In 1992, Tim transferred with Andersen to Washington where he became partner in 1996. Tim was the leader of Andersen’s Litigation & investigations practice in the Southeast US from 1998 until 2002. Tim moved his practice to Navigant Consulting in 2002 upon the demise of Andersen. He is a CPA and a Certified Fraud Examiner.

Tim is experienced assisting clients with the forensic, financial and quantitative aspects of disputes and investigations including providing expert testimony in a wide variety of domestic and international forums. Mr. Hart has assisted clients with many large financial fraud and accounting investigations. Mr. Hart has assisted clients with numerous insurance insolvency situations.
