EXPERIENCE

SAINT CLAIR COUNTY STATES ATTORNEY'S OFFICE

Belleville, IL

Intern

Summer 2008

- Scanned county files into a computer program
- Attended court cases to learn more about the legal process and how the judicial system works.

ILLINOIS IRRIGATION

Belleville, Illinois

Irrigation Specialist

Summer 2007

- Installed sprinkler systems in new homes
- Installed irrigation systems to swimming pools, water parks, and farms

SKILLS

Computer: Advanced experience with Excel and Access

ACTIVITIES

- TVA Investment Challenge Winner, fall of 2010
 - Researched the technology sector during the semester and convinced my professor to buy 100 shares of Apple stock for our class portfolio.
- Sigma Phi Epsilon Fraternity
 - Was elected the finance officer, prepared the budget and allocated funds to other officers in the organization. Also got the fraternity out of some debt problems that we had.
 - Was elected co-philanthropic and social chair, planned 2 philanthropies and all social gatherings for the fraternity.
- Finance and Economics Society at Murray State University
 - Was a member of the finance and economics society for three years
- Student Government Association
 - I was elected as senator at large for two years at Murray State and helped the University make crucial decisions on behalf of the students.

ADDITIONAL

- Habitat for Humanity
 - Went on a mission trip to Ecuador in 2006 to build 2 homes for families in need
 - I also went on builds in the Saint Louis area to help build houses for families.
